

10 PHRASAL VERBS for crafts with your kids

From the creators of the Phrasal Verbs O&K course

GO FOR

choose or select something
Which colour would you go for?

ROLL OUT

make something smooth and flat by rolling
Roll out the playdough like this.

COLOUR IN

put colour inside a particular area, shape
I'll draw a tree and you can colour it in.

PRESS DOWN

push something firmly
Press down the dough with your hands.

TIP OVER

(cause to) fall over onto one side
Be careful not to tip that cup over.

DRY OUT

make/become completely dry
Leave your clay model to dry out.

CUT OUT

remove a shape by cutting
Let's cut out these paper stars.

PUT AWAY

return to its place
We need to put away all the markers.

TEAR UP

rip something into pieces
You didn't have to tear your picture up.

WASH OFF

remove by cleaning with water/come off
the surface when water is used
I don't know if this paint will wash off.
